

EUROPEAN COMMISSION

MEETING MINUTES

Date: *29 October 2025*

Location: *Brussels*

Name(s) and function(s) of the Commission representative(s):  *Cabinet Expert*

Name(s) of the interest representative(s): *Microsoft (0801162959-21)*

Subject matter: Environmental Omnibus: permitting

Main points raised and positions expressed: Microsoft briefly presented their experience in rolling out data centres in EU in light of EU legislative framework on environmental permitting. For the upcoming environmental omnibus, they called for consistency in procedures in the EU and for more guidance from the Commission, as well as for a one-stop shop and capped deadlines.

Conclusions: N/A
